50+ FREE CEUs Annually for Members

EMA is GROWING.

More and more energy professionals are choosing the EMP certification for its commissioning-based approach to achieve energy efficiency.

We Advocate for YOU.

Through persistent effort, EMP Certification has been recognized by 11 additional federal, state and municipal building ordinances and NGO programs in the past two years.

- ▶ Federal Building Personnel Training Act (FPTA) Aligned
- ▶ ASHRAE Building EQ Program
- ▶ Montgomery County Benchmarking Law
- ▶ Philadelphia C-Pace Program
- ▶ Boulder Building Performance Ordinance
- ▶ Chicago Energy Benchmarking Ordinance
- ▶ Washington State Clean Buildings Bill
- ▶ Boston Building Energy Reporting Disclosure Ordinance
- ▶ Reno, NV Energy and Water Efficiency Program
- ▶ Berkeley's Building Emissions Saving Ordinance
- ▶ Chula Vista Building Energy Saving Ordinance

Visit EMA's website to view a full list of recognitions.
