# VIRTUAL O&M TRAINING

**For Facility Managers & Building Engineers**

**$550/$110**

**EMA**

**ENERGY MANAGEMENT ASSOCIATION**

## ■ MARCH 8-9

Does your facility lack a standardized operations & maintenance plan? This 8-hour course provides the tools needed to increase energy efficiency, reduce costs, and optimize systems, all while being mindful of common challenges such as insufficient staff or budgets.

## WHAT WILL YOU LEARN?

- **Energy Audit/Building Tune-Up Requirements**
- **Energy Balance, Baseline, and Benchmarking**
- **No Cost/Low Cost Strategies for Building Energy Savings**
- **Monitoring Building Performance & Ensuring Savings Through Monitoring-Based Commissioning**
- **Evaluating, Prioritizing & Implementing ECMs**

## WHO SHOULD ATTEND?

*Some previous attendees include facility personnel from:*

- **Michigan State University**
- **Department of the Army**
- **University of Nebraska Medical Center**
- **Baltimore City Public Schools**
- **Exelon Generation**
- **City of Rockville**
- **Howard Community College**
- **Maritime Institute of Technologies**

**Work in Maryland? Pay only $110!** This course is preapproved for incentives provided by utility companies that are available to contractors and building operation personnel who operate in Maryland. **Eligible participants will receive a cash rebate of 80% of enrollment costs per course.**
